TO THE TRADE:

We take pleasure in presenting our Trade List for Fall, 1903.

Extending our thanks for past favors we solicit a continuance of your patronage, and to those with whom we have not had the pleasure of dealing we ask for a trial order.

GUARANTEE.—We exercise the greatest care to have every tree and plant true to name, and are ready, on proper proof, to replace any stock sent out by us that may prove untrue to label, free of charge, or refund the money paid for same. It is understood and agreed between purchasers and ourselves, that we are not to be held liable for any greater sum than that paid us for said trees and plants that prove untrue.

Terms and Conditions Govern- ing Quotations in Price List

PACKAGES.—The cost of packages must be added to prices quoted in this list.

PACKING.—Goods will be packed in good shape and special care taken to insure their arrival in good condition.

CAUTION.—We accept all orders upon condition that they shall be void should any injury befall the trees and plants from frost, hail or other causes, over which we have no control.

TERMS.—Cash. When desired we will allow from 30 to 60 days, from date of shipment, to responsible, prompt paying customers. Parties with whom we have had no business transactions will save time by sending reference with order.

FORMS OF PAYMENT.—Remittances should be made by drafts on New York or Chicago, or by money orders on express companies or postal orders.

INSPECTION.—Our nursery has been inspected by State Entomologist and has been found free from dangerous insects and disease. A copy of certificate of inspection will be attached to every package that leaves our nursery.
